

Dear EHS Wolves,

Welcome back! It's hard to believe how quickly summer went by, but we are excited to have our students back in the halls of EHS. And to those who are new to our school and community—welcome to the Pack! Enterprise High School is a great place, with outstanding teachers and staff and, most importantly, some of the very best students around.

As we begin a new school year, I want to share a couple of things that will help guide us throughout the year.

This year, we are adopting a new mission statement: **Inspiring Growth. Unlocking Potential.**

It's short, but it says a lot about what we want for every student at EHS. We know our students have incredible potential, and our job is to help them discover it. We want to challenge our students, support them, and provide opportunities for them to grow academically, socially, and personally. Sometimes in ways they may not have thought possible. Everything we do at EHS should ultimately point back to that mission.

Another major focus this year will be **Strengthening the Pack.**

Wolves run together as a pack. They look out for one another, support one another, and are stronger together. That's the kind of culture we want at EHS.

Students, please look out for each other. Be kind. Be respectful. Include others. Look for opportunities to lift people up rather than tear them down. Make it a goal to do something kind or helpful for someone every single day. Small actions matter, and each of us has a role in making EHS a place where people feel like they belong. Do your part to strengthen the Pack.

Parents, we want you to know that our doors are always open. If you have a question, concern, or hear something that doesn't seem quite right, please reach out to us. We would much rather have a conversation and provide accurate information than allow rumors or incomplete information on social media to create unnecessary frustration or misunderstanding.

We won't always get everything perfect, but we will always be willing to listen, answer questions, and work together to do what is best for our students.

I am incredibly excited about the year ahead. We have great students, great teachers and staff, supportive families, and a community that cares deeply about Enterprise High School.

There is a lot to look forward to, and I can't wait to see what we accomplish together this year!

Calvin Holt
Principal
Enterprise High School
